## **Midmark Announces New Offices in Dayton** ***"Midmark Center" Will Be Located at UD River Campus***

[Midmark Corporation](#), of Versailles, Ohio, will move its executive offices and approximately 60 jobs to newly renovated space at the University of Dayton's River Campus building.

Midmark will lease 23,000 sq. ft. of office space on the fourth floor of 1700 S. Patterson Blvd. and establish its headquarters there. The building is also the home of the University of Dayton's Research Institute as well as its graduate school and alumni center.

The company will invest approximately \$1.9 million in the renovation, including a \$100,000 Montgomery County ED/GE grant authorized by the Dayton City Commission on March 20.

Dr. Anne Eiting Klamar, President and CEO of Midmark, said, "The move to Dayton will provide us with enhanced opportunities to fulfill our vision of becoming a global leader in healthcare products and services that enable more efficient and effective patient care."

The manufacturer of technology-centered medical, dental and veterinary equipment is an industry innovator, incorporating sensor technologies and other advances into its product development. Midmark's move is scheduled for July.
